

STANDARD HARDWOOD PALLET

PALLETS

STANDARD HARDWOOD PALLET

10001 (1)

Overview

The extensive usage of our Standard Hardwood* Pallet across Australian industry provides the basis for low cost and seamless unit load movements within and between customer supply chains.

Our hire pallet service also benefits customers because of our acceptance of responsibility for maintaining pallet quality standards, and our commitment to ensuring pallet stocks adequately meet customer needs.

Freed from concerns about these issues, customers can focus on their core business activities such as product manufacturing, transport, distribution and warehousing services.

CHEP equipment code

10001 (1)

Features

- Universal acceptance across Australian industry
- Dimensions as per Australian Standard 4068
- Repair and maintenance via CHEP's service centre network
- Pallet relocation managed by CHEP
